

Temporary Closure information for our valued guests.

We have been closely monitoring the developing situation and notifications relating to COVID-19. With the virus continuing to spread at a heightened rate, we regretfully find ourselves needing to announce the temporary closure of the High Country Inn effective Monday, March 23rd, until further notice.

Despite introducing recommended actions such as enhancing our cleaning protocols we must focus on the health and wellness of our guests and team that service you during your stay.

As the situation develops, we are in the process of reaching out to all guests who are affected by this closure. As we continue to see heavy call volumes through our phone lines please bear with us as we process all requests and we heartily thank you in advance for your patience during this challenging time.

We hope you and your families stay healthy and once we are notified that we can re-open our doors we look forward to welcoming you back to the wonderful town of Banff and accommodating you at our property.

Please contact us at info@banffhighcountryinn.com, should you have any further questions and we will do our utmost to respond in a timely manner.

Kind Regards

The Management of the High Country Inn
